would like to kindly inform that
on 20-23 September, 2025
in Kołobrzeg will be held

11th International Academic and Technical Conference
ARCHBUD 2025

on

PROBLEMS OF CONTEMPORARY ARCHITECTURE
AND CIVIL ENGINEERING

The subject of the conference will be theoretical and practical
problems of contemporary architecture and civil engineering,
with particular emphasis on the following issues:

- ❑ new trends in the shaping of sustainable architecture (economics-ecology-society)
- ❑ genius loci and globalization – contemporary challenges of design
- ❑ the design of barrier-free buildings - accessible space, inter-generational integration
- ❑ problems of modernization and revitalization of buildings and their complexes
- ❑ modern material solutions in architecture and civil engineering
- ❑ smart city – solutions and hazards
- ❑ wooden construction
- ❑ carbon footprint – the actual meaning - ways to determine
- ❑ energy efficiency in architecture and civil engineering
- ❑ small nuclear reactors, and the energy demands in the civil engineering (heating industry)
- ❑ the engineering of construction materials with a focus on waste management in civil engineering
- ❑ hybrid energy sources in individual, commercial and industrial building construction
- ❑ BIM (Building Information Modelling) – digitization of processes carried out during the life cycle of a building, with a particular emphasis on the design and construction period.
- ❑ civil protective structures

Goals of the conference:

- ❑ presentation of the creative output of architects and researchers, a discussion of the contemporary shape of architecture and urban planning
- ❑ presentation of scientific and technical achievements in the field of applied and new technologies in civil engineering.

We invite both specialists and academics from Poland and abroad, who educate future designers, as well as active architects, urban planners, conservators and civil and structural engineers to participate in the conference.

Summaries of papers containing the names of the authors, their place of employment, the title of the paper and the content of no more than one A4 page should be sent **by April 30, 2025 to:**
